

# SKYCLASS AVIATION

*"Flying on silver wings"*

## *Air Cargo Services*

As well as providing passenger aircraft services Skyclass Aviation serves the air-cargo market with dedicated Douglas DC-3 freighter aircraft as well as any other aircraft that may be required for a specific air cargo project.

The DC-3 is equipped with a cargo door. The DC-3 has a maximum capacity of 3 tonnes. Availability of other aircraft types for air cargo is available upon request.
